Final Note by the Minister for Local Self-Government and Public Health.

Subject.—

PROMOTION OF CERTAIN FOREST OFFICERS.

The Chief Conservator of Forests in his letter No. E. 121-306/41 dated the 5th December 1941 reports that Dr. D.A. Rama Rao, B.Sc., A.I.Isc., M.S.F., Ph.D., Assistant Conservator of Forests and District Forest Officer, Hassan, was relieved of his duties on the afternoon of the 8th November 1941 to take charge of the Mysore Match Factory as General Manager, and Government have approved of the said appointment in their order No. 2964/I & C 198(a)-41-2, dated the 8th December 1941. The present proposal of the Chief Conservator of Forests is to fill up the vacancy in the Assistant Conservator's grade by the promotion of a Sub Assistant Conservator.

Dr. S.A. Kabir and Dr. M.N. Ramaswamy and Mr. J.P. Mascarenhas are the officers next in the order of seniority in the grade of Sub Assistant Conservators. Of these the first two are now employed as Forest Mycologist and Forest Chemist, respectively, in the Forest Research Laboratory, Bangalore. The Chief Conservator of Forests states that they are engaged on important research work connected with the fuller utilisation of the available forest resources and that in the interests of continuity of investigations in progress, it is inadvisable to disturb them from their present work, particularly as there are no other suitable officers in the grade of Sub Assistant Conservator to take up their work. At the same time he feels that it would be unfair to deprive them of the chance of their promotion because of their employment on their duty as above. He therefore recommends that both Dr. Kabir and Dr. Ramaswamy may be promoted as Assistant Conservators (sub-protem) and seconded and that Mr. Mascarenhas may be promoted as Assistant Conservator (sub-pro-tem) vice Dr. Ramaswamy and posted as District Forest Officer.

(F.N.—contn.)

No. 445.

23rd September 1941.

My dear Mr. Appaji Gowda,

There has been considerable dislocation in the Match industry since the price of Banderols was raised from Re.1/- to Rs.2/- per gross of 40's. Banderols of 50 sticks will be issued very shortly and it is difficult to anticipate the reactions in the market.

There is considerable difficulty in obtaining chemicals and the supply of proper species of wood for splints is causing some anxiety.

In view of these circumstances, I feel that the interests of the Match Factory will be better served by having at its head a responsible Officer preferably one belonging to the Forest Department. I have discussed the question with Mr. Jabbar, Chief Conservator of Forests, who is also a member of the Board of Directors in the Match Company. Mr. Jabbar has recommended and I agree with him that the Match Company may take on loan, the services of Mr. D. A. Rama Rao, B.Sc., A.I.I.Sc, M.S.F., Assistant Conservator and District Forest Officer, Hassan.

The Company will pay him an allowance of Rs.50/- a month for the present, besides meeting the pension and other usual charges.

I shall be obliged if you will kindly obtain the orders of Government to place the services of Mr. Rama Rao at the disposal of the Mysore Match Company as early as practicable.

Yours sincerely,

GEN. & REV. SECTT. 5 DEC. 1941 AGRI. & FOREST BRANCH.

Sir,

With reference to your D.O. letter No.AF. 2046/Ft. 65-41 dated the 31st ultimo intimating that Dr. D. A. Rama Rao, B.Sc., A.I.ISC., M.S.F., Ph.D., Assistant Conservator of Forests and District Forest Officer, Hassan District, may be relieved of his duties and permitted to take charge as General Manager, Mysore Match Factory, I have the honour to state that Dr. Rama Rao was relieved of his duties as District Forest Officer, Hassan Division, on the afternoon of the 8th November 1941 by Mr. J. P. Mascarenhas, B.Sc., Sub Assistant Conservator of Forests and to recommend the following seriatim arrangements in the vacancy caused by the deputation of Dr. D. A. Rama Rao.

(1) Dr. S. A. Kabir, M.Sc., D.Sc., (Munich), Sub Assistant Conservator of Forests and Forest Mycologist, to be promoted as Assistant Conservator of Forests, (S.P.T.) vice. Dr. Rama Rao, and permitted to continue as Forest Mycologist (being seconded).

(2) Dr. M. N. Ramaswamy, M.Sc., D.Sc.,(Munich) Sub Assistant Conservator of Forests and Forest Chemist, to be promoted as Assistant Conservator of Forests (S.P.T.) vice. Dr. S. A. Kabir, and permitted to continue as Forest Chemist (being seconded).

(3) Mr. J. P. Mascarenhas, B.Sc., Sub Assistant Conservator of Forests to be promoted as Assistant Conservator of Forests (S.P.T.) vice Dr. M. N. Ramaswamy, and posted as District Forest Officer.

In this connection I have the honour to state that the recommendation for promotion is made in the relative order of seniority. Drs. Kabir and Ramaswamy are now employed as Forest Mycologist and Forest Chemist respectively in the Forest Research Laboratory and are engaged on important research work, connected with the fuller utilisa-

utilisation of the available Forest resources. In the interests of continuity of the investigations ~~ins~~ in progress it is considered inadvisable to disturb them from their present sphere of activities. Also there are no other suitable officers in the grade of Sub - Assistant Conservator who have had training in Utilisation Research and who can replace the two Research Officers. At the same time it would be unfair to deprive these two Officers of the opportunity of getting into the higher grades because of their being employed on duties other than the routine functions of a Forest Officer.

Mr. J. P. Mascarenhas comes next in the order of seniority after Dr. Ramaswamy and he may also be promoted as Assistant Conservator so that the general practice of posting Assistant Conservators to the charge of Divisional Officers may be continued as heretofore.

I request that orders of Government accepting my recommendation as above may be kindly obtained and communicated to me early.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Conservator of Forests.
